

IGS

***Professional Officers, Peerless Customer Service
3rd Generation Justice Service Provider***

Here is what our clients have to say about International Guard Services

INOXCVA, a world leader in Cryogenic Vessel Transportation and storage vessel manufacturing has contracted IGS (International Guard Services) to supply us with the Security services needed for Two Locations near Baytown TX. IGS has provided INOXCVA with the utmost professionalism and security to fit our needs. IGS is fast to react to any and all changes. IGS ensures customer satisfaction and can provide security services tailored to fit any organization's needs.

***Phillip Lacy,
INOXCVA, EHS and Security Manager***

We have had IGS on site here at Jyoti Americas for well over a year and a half and are pleased with the professionalism, service and commitment of their officers, day and night, 24/7 - no matter the time, weather or requirements of the job. They are effective, responsive and diligent.

***Patrick Martin, HSE Manager
Rusty Trout, Executive Assistant
HR, JYOTI AMERICAS LLC***

IGS has provided security services for our elementary and secondary campuses and we have been satisfied with the quality of service and protection. In an educational setting, the students and parents expect a secure environment plus security personnel who are professional and personal. The IGS personnel are great in both of these areas and are the reason we continue to utilize their service.

***Daniel Woods, Head of School
Northland Christian School***

Contact IGS for more information about our security services and request a customized proposal.
